Summary

Passionate and driven professional aiming to build a career with a dynamic organization. Eager to embrace challenges, demonstrate skills, acquire new knowledge, and contribute to both organizational success and personal growth.

Skills

Programming Languages: Java, JavaScript, HTML, CSS

Frameworks and Libraries: React.js, Express.js, Tailwind CSS, GSAP

Technologies: Node.js, MySQL, Python for Data Science, Power BI

Experience

Front-End Developer, Getfly Technologies

June 2024 - July 2024, Mumbai

Developed responsive front-end interfaces using React.js and Tailwind CSS for a student-focused TPO application. Assisted in full-stack integration with Node.js and MySQL for enhanced user functionality.

Data Analyst, IBM SkillsBuild

June 2023 - July 2023, Mumbai

Completed a 4-week internship focused on data visualization and preprocessing. Gained experience in handling data, creating insights, and making data-driven recommendations for improvements.

Projects

Mentor-Mentee Connect with AI Scheduling

Tech Stack: React.js, Node.js, MySQL, Tailwind CSS

Developed a web application to streamline mentor-mentee interactions by offering a platform for seamless communication, schedule management, and progress tracking. Integrated an AI-powered timetable generator that optimizes schedules based on user availability and preferences, enhancing time management and overall efficiency.

AI-Powered Voice Assistant 🗣️

Tech Stack: Android Studio, Java, Python, AI, Tesseract OCR

Developed an Android app for visually impaired users, featuring voice commands for calling, setting alarms, opening apps, answering questions, and performing text extraction and summarization for improved accessibility.

Education

B.E - Artificial Intelligence & Data Science

CGPA: 8.1 (Till Sem-6)

Vasantdada Patil Pratishthan's College of Engineering, Mumbai

Higher Secondary Certificate

90.50%

SIES College of Arts, Science & Commerce, Mumbai

Certifications

IBM - Python For Data Science

Issued: March 2024

IBM - Certified Data Analysis Using Python

Issued: July 2023
